Email: Josephmwema1@gmail.com | LinkedIn: linkedin.com/in/joseph-john-270155a6/
Location: Nairobi, Kenya | Status: Open to Remote, Hybrid and On-site roles

PROFESSIONAL OBJECTIVE

Results-driven Business Development, Sales Operations, Strategic and Project Management Professional with 8+ years of experience in client acquisition, strategic partnership development, key account management, and operations across ICT, Retail, FMCG, Professional Consultancy, Hotel & Hospitality, and Real Estate. Expert in lead generation, CRM-driven pipeline acceleration, and high-value tender bidding. Open to remote, hybrid and on-site opportunities.

CORE COMPETENCIES & CAPABILITIES

- Business Development & Consultative Selling
- Key Account Management & Retention
- Lead Gen & Outreach
- Bid & Tender Management (RFPs/RFIs)
- Pitching & Product Demos (ActVal, GenVal)
- Negotiation & Contracting
- CRM Systems (Salesforce & Zoho)
- Data Analytics (Excel, Power BI, SQL)
- Cross-Functional Leadership (10 Led)
- Financial Bookkeeping (POS, M-PESA)
- Risk Management & Compliance
- Strategic & Critical Thinking

PROFESSIONAL EXPERIENCE

Sales and Customer Service Lead | Canvas Technologies & Computers June 2026 – Present

- Lead sales and customer care operations for corporate and retail ICT clients, setting quotas and monitoring targets.
- Coach sales team on consultative selling, technical product knowledge, and post-sale support standards.
- Cultivate B2B and institutional client relationships, generating incremental revenue via upselling and cross-selling.
- Oversee inventory levels, order fulfillment, POS operations, and daily M-PESA reconciliations.

Business Development & Account Executive | Actuarial Services East Africa (ACTSERV) 2024 – June 2026

- Sourced, nurtured, and converted institutional leads through tendering, email marketing, cold calling, and networking.
- Won executive training accounts for investment teams and boards of trustees covering governance, IFRS 17, IAS 19, pensions, and risk.
- Secured high-impact partnerships with regulators (IRA & RBA), insurance firms, wealth funds, and pension schemes.
- Managed key accounts across pension, insurance, and investment software solutions (ActVal, GenVal, IDD, and PRMF).
- Prepared competitive proposals, quotations, product demos, pitches, and responses to RFPs/RFIs; met all revenue benchmarks.
- Negotiated commercial terms, contracts, NDAs, and SLAs; maintained rigorous CRM pipeline hygiene.

Sales and Customer Service Lead | Canvas Technologies & Computers 2020 – 2024

- Spearheaded full sales cycles (lead gen, needs assessment, hardware demos, quotation, negotiation, and closing).
- Expanded institutional key accounts via upselling of laptops, desktops, accessories, software, and Wi-Fi installations.
- Coordinated inventory procurement, customer care feedback loops, POS operations, and cash reconciliation.

Sales and Business Operations Manager | Royal Prime Investment (Hotel & Real Estate) 2017 – 2019

- Directed commercial performance across hotel and real estate operations, meeting quarterly revenue quotas.
- Led, mentored, and set KPIs for a team of 9 operations and client service employees.
- Managed corporate institutional accounts (banks, SACCOs, chamas), delivering conferencing and facility operations to SLA.
- Controlled operating budgets, resource allocation, event planning, and maintained regulatory licensing.

EDUCATION & CERTIFICATIONS

BS Actuarial Science | University of Kabianga (2013–2017)

Courses: Financial Mathematics, Operations & Project Management, Data Analysis, Statistics, Probability, Database Systems

Diplomas in Risk Management (Operational, Financial, Insurance) | Alison & Athena (2024–2025)

Certificate in Software Engineering with AI | Power Learn Project (2025)

Certificates in Strategic, Operations and Project Management | CIQ (2025)
